Good Morning Wendy,

I would like to take the time to THANK YOU and RRI for your excellent service. We are very happy that a member from your staff came out, looked at our hazardous waste and gave us a quote before removing our waste.

All other companies we called, we needed to make a list of our waste or had to pay for a member of their staff to do the inventory. You and your staff were very kind, helpful and willing to answer any questions that we had. Removal was speedy and very clean.

Thanks again,

Ken Kraemer
Director of Building and Grounds
